To participate in the Leadership Academy, I consent to the Court conducting a check into my background. I understand that if I have a case pending in the Orange County Superior Court, I will not be eligible to participate until the case is closed.

I commit to attending and completing the Leadership Academy, and representing my community as a liaison for at least one year after graduating. I understand that I may be asked to provide feedback about the Court and its programs. I authorize the Orange County Superior Court ("The Court") to use photographs, slides, and/or video from the Leadership Academy for the purpose of educational, informational, and/or public relations presentations by or on behalf of The Court, which may include but are not limited to broadcast television, cable television, and Internet displays.
