

Vol. 2020, No. 8 September 2020

President's Message

Dear Members and Friends of the Hispanic Bar Association of Orange County,

A brilliant legal mind left us earlier this month, Supreme Court Justice Ruth Bader Ginsburg. We mourn the loss of a brave, just and courageous woman who dared to challenge the status quo and changed the world for all, especially for American women. It is our hope that her undying commitment to justice and gender equality has inspired our generation to continue her legacy. Let us follow in her footsteps as she paved the road for us to continue the fight seeking **EQUALITY AND JUSTICE FOR ALL.**

Equality and justice for all can only be achieved if we remain aware that every action we take will have an effect in our family, community, and our country. ***On November 3, 2020 we must all make our voices heard, our country is strong only when its people are united. Let's all come together on November 3rd and vote!*** Our country was founded on principals of justice and equality; let us

exercise our right to vote, a right that our brave military men and women defend for us every day. ***Make your voice heard, vote!***

Due to the pandemic certain measures have to be taken to vote in a safe manner. California has taken measures to conduct a safe election, please visit their site [here](#) for more information on registration, early voting, polling locations and safety measures.

While we are living through these challenging times it is important to remember to stay connected with our friends and family while maintaining social distance. We want to thank you all for attending our virtual [Mexico Independence day celebration](#). It was great fun, company and prizes.

Congratulations to the winners:

**Joseph Chairez
